The Bellary Central Cooperative Stores has applied to me for the sanction of 4 Senior Inspectors to supervise the procurement operations undertaken by it in the district.

2. There has of late been a rapid expansion in the business of the Cooperative stores in the district following the entrustment of it, of procurement of paddy and millets in five taluks of grams and pulses throughout the district (except the Hadagali taluk) and of the distribution of foodgrains to all the famine-affected areas of the district. In addition, the stores continues to hold the monopoly of rice distribution in the ~~district~~ district sanctioned in G.O. No.Ms.3903 Development dated 1-12-43. To carry out the operations of procurement and distribution, the stores has opened branches at the taluk headquarters and sub depots in the various parts of the district.

3. There are 5 departmental officers at present working in the stores under Fundamental Rule 127 viz., one Cooperative Sub Registrar working as its Secretary, and 4 Senior Inspectors, 2 of whom are auditors in the stores, one is its manager and the remaining Senior Inspector is acting as its purchasing agent at Betwada. The work in the branches and depots is left in the hands of non-official employees. The procurement operations and the working of the branches and sub depots require constant and intensive supervision. The existing departmental staff in the district is already overworked and the secretary cannot spare any portion of his time to the supervision of the special staff enga ed by the stores for procurement work. To ensure efficient and adequate supervision and to make the procurement ~~syste-~~ scheme a success, a minimum staff of 4 Senior Inspectors applied for by the stores is quite necessary. The Collector also has strongly recommended the case of the Stores. As the Central stores has already taken 5 departmental officers on payment of cost, it cannot afford to pay for the staff for the supervision of procurement, which is the duty of the state.

4. In this connection, I may add that the Government were pleased to sanction special staff for the supervision of procurement and distribution of foodgrains in the Vizagapatam and Anantapur districts in G.Os. No Ls.1250 Development dated 2[illegible]-3-46 and No.Ls.3 Development dated 22-2-46 respectively.

5. In the above circumstances and in view of the heavy responsibility undertaken by the stores in public interests, I request that the Government may be pleaded to sanction temporarily for a period of 3 months from the date of employment, 4 Senior Inspectors free of cost to supervise the operations of procurement and distribution undertaken by the Bellary Cooperative Central Stores.
